Within our process of creation and sale of EasyFeedback Token we have been complying with the various legal requirements. The last one, before being able to market our EasyFeedback Token, was to have the following licenses from the Estonian government:

**1. Providers of a service of exchanging a virtual currency against a fiat currency EasyFeedback Token Licence: FVR001056**

“It allows exchanging fiat to crypto, crypto to fiat, crypto to crypto.”

**2. Providers of a virtual currency wallet service EasyFeedback Token Licence: FRK000948**

“It allows providing virtual currency (hot and cold) wallet service in the framework of which the company generates keys for Clients or keeps Clients’ encrypted keys, which can be used for the purpose of keeping, storing and transferring virtual currencies.”

This service means offering custodial services of credentials necessary to access virtual currencies.”
